

BEYOND ALL

STEWARDSHIP CAMPAIGN 2024

BEYOND ALL WE CAN
ASK OR IMAGINE...

Ephesians 3:20

THE CONVICTION

One of KAC's greatest resources is its building, which hosts over 1300 people throughout every week. It has been a centre for teaching, ministry and care - a place for communities to gather, people to pray, youth to encounter Jesus, the Bible to be taught, and somewhere to escape from the cold winter nights. The Lord has used this building to serve us and our community well; however, it is apparent that, should we continue to move towards our preferred future, we will require more from our building than it can currently offer. With long-term vision in mind, it has become our conviction that we must optimize, and better utilize, the space within our building to ensure that it can facilitate all God plans to do in and through KAC - for generations to come!

THE INVITATION

For this reason, we are pleased to invite you to prayerfully consider investing in the "Beyond All Stewardship Campaign". Beginning in November 2024, we will seek to raise approximately \$2.9 million to make the necessary renovations and improvements to our current building. These renovations are guided by our five strategic directives and designed to help us meet our faith-filled goals.

MAKE A PLEDGE

Our ask is that you would prayerfully consider joining us as we seek to grow our mission footprint in Kamloops through this campaign and building project! Visit www.kac.ca/stewardship to learn more about the Stewardship Campaign or to make your pledge online.

“

**Not equal giving,
but equal sacrifice.**

Senior Pastor Don Olson
(Forward in Faith Campaign)

Kamloops Alliance Church is a trophy to the grace, provision, and faithfulness of God. As we embark on a capital campaign geared to maximize our building for current and future ministry, we are buoyed by God's story in this church over the past eighty years. Our church began in 1944 with a group of people who prayed, worked, and believed that God placed them in this city for Kingdom impact.

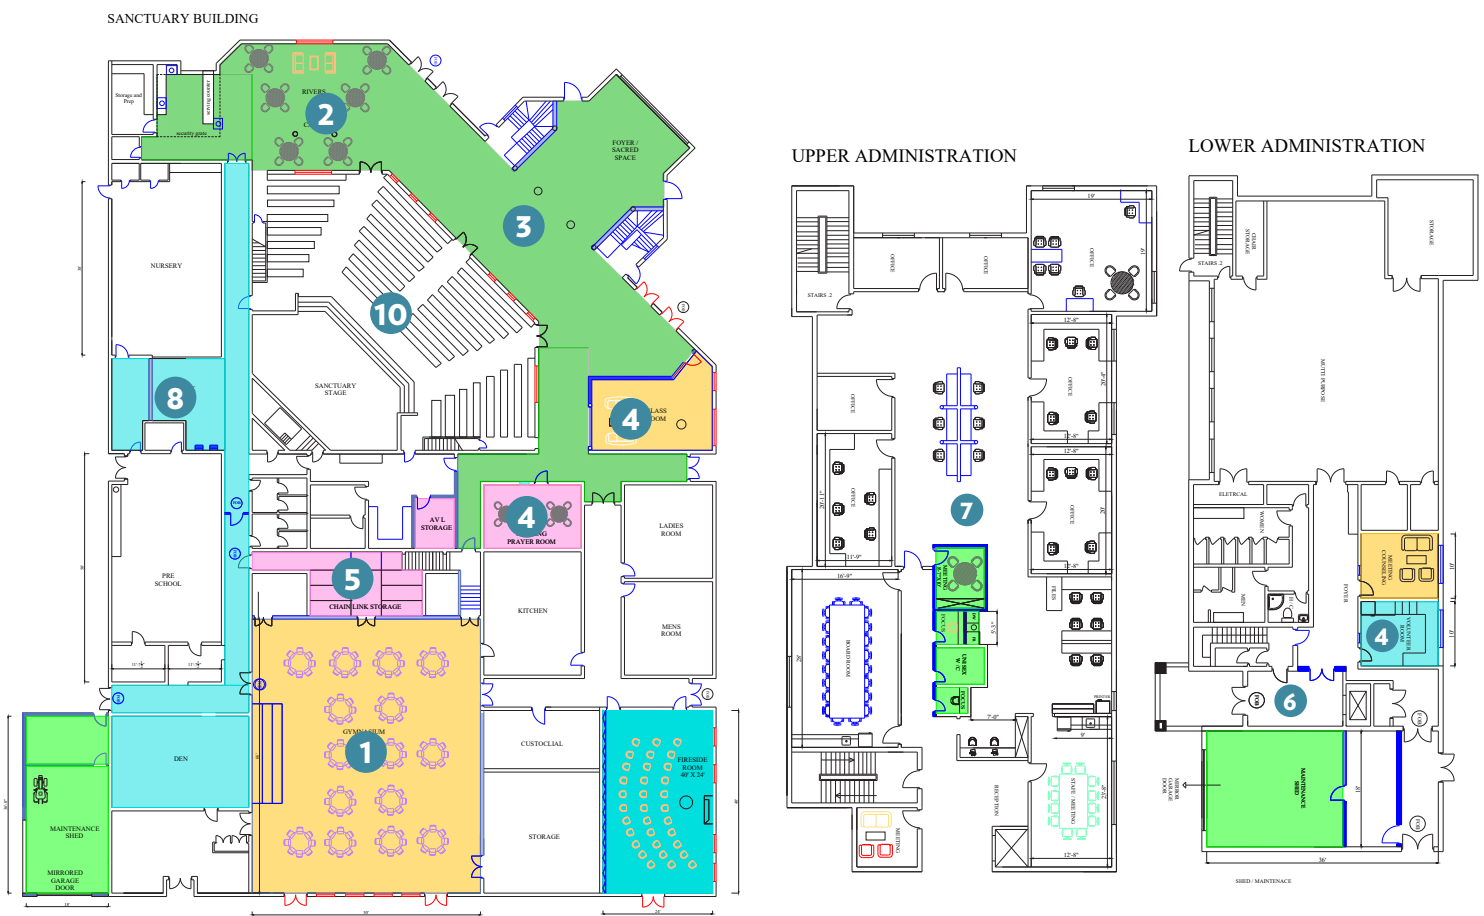

And today, it is no different with the Beyond All campaign. This campaign will address current and future needs in our facility. I look forward to seeing how Jesus uses this campaign to grow our faith, reach more people, and see more disciples formed.

Pastor Chris Throness

BEYOND ALL STEWARDSHIP CAMPAIGN

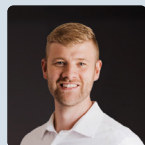

- 1 Renovating the gymnasium into a multi-use space for expanded ministry
- 2 Updating River's Café to create a more welcoming, hospitable space
- 3 Updating the foyer and sanctuary to minimize sound transfer and increase natural light
- 4 Providing more breakout and small group spaces for ministry and community use
- 5 Building a dedicated studio for recording/editing teaching content, podcasts and music
- 6 Upgrading the Ministry Centre entrance to create a more welcoming environment for guests
- 7 Redesigning the office space to include more open seating and shared spaces for a growing team
- 8 Expanding and redesigning KAC Kids Registration Area to be more secure and flexible
- 9 Applying new siding to protect our existing building and create cohesion with the Ministry Centre
- 10 HVAC Upgrades and Replacement
